OUR SAVIOUR'S MESSAGE

To all the sisters and brothers of our Lord Jesus Christ at Our Saviour's Lutheran Church in Victoria, TX.

It's June, y'all - the area schools are out and the summer heat and humidity are rising in Victoria, TX, and the surrounding areas. As such, some in our church family are planning their vacation getaways for the summer. If that's happening in your household, I pray for God's travel mercy and protection upon you, wherever you're bound in His vast Kingdom. May your journey, both to and from, truly bless and revive you, and offer opportunities for you to give thanks, praise and worship our heavenly Father along your journey. Wherever your travels take you this summer, remember to find a local church (Lutheran, preferably) to worship with on Sundays while you're away from us. In addition, remember to send in your Offerings/Tithes/contributions for OSL while you're gone since the mission and ministries needs of our congregation do not go on vacation during the summer months. And if you're not traveling anywhere this summer, I pray you stay cool, safe, and blessed by the Lord Jesus Christ. Even more, I encourage you to heed the Apostle Paul's words in letter to the Hebrews, saying,

"Let us think of ways to motivate one another to acts of love and good works.

And let us not neglect our meeting [worship] together, as some people do, but encourage one another, especially now that the day of his [Jesus'] return is drawing near." (Heb. 10:24-25 NLT)

On a different note, those who were in worship on Sunday, May 7th witnessed the installation and commissioning of a new Ministry Leader, at OSL. It is my honor to have appointed Diana Pimentel-Moreno as our Minister of Digital Communications. In this role, she is responsible for sharing and communicating important information, events, and opportunities at OSL among the congregation, in the community, and to the world, using the internet and various social media platforms. Please keep her in your prayers in this ministry endeavor, and I ask that we'd all be patient with her as there's a lot for her to catch us up into the 21st century technologies. By the way, we are currently in need of two volunteer ministry leaders – for Spiritual Formation and Prayer & Devotional life. If you are interested in knowing more about these two ministry leadership opportunities, or you'd like to be considered for either one, please let me know.

Lastly, many of you have noticed the close-circuit television (CCTV) cameras mounted in various locations throughout our church facility. These cameras are there for our safety and wellbeing – not to spy or surveil anyone. I'm thankful for the few who've stepped up to volunteer to monitor these cameras on Sunday mornings. They have been trained to be the "eyes" for our Church Safety Team (CST) members, as well as be the communication link to First Responders, should it be necessary to call them. With a large church campus like ours, keeping all worshipers and our facility safe is a great challenge. Therefore, I ask that you keep these men and women in your prayers. And if you'd like to join the team of our CCTV monitors, please feel free to let me know.

Happy summer, y'all!
Be blessed to bless!

SPRINGFEST REPORT

For many years Our Saviour's Lutheran Church (OSLC) of Victoria has hosted an amazing event for the entire community, known and called, "Springfest". With God's Grace, the support of our monetary & item donors, tireless volunteers, OSL members and the Victoria community, Our Saviour's Lutheran Church "2023 Springfest" was a resounding success by providing fellowship and raising \$26,540.53. The proceeds were donated to bless four ministries we had determined to support. These worthy causes in our local community are Christ's Kitchen, Bethlehem Maternity Home, Teens Grounded, and Our Saviour's Lutheran Church Ministries. The 2023 Springfest Team thanks God for all the grace and talents he provides, the support of OSLC to host this event and the volunteers & team members who worked to make this event a success. Thank You and God Bless You!!

Happy Summer everyone! Congratulations on making it through another school year. I hope you all enjoy your much needed break from homework, tests, assignments, and projects. It is a common sentiment within the church that the Holy Spirit leaves the church at Easter and does not return until Rally Day (in August.) In this Children, Youth and Family ministry, that is simply NOT TRUE! God, Jesus, and the Holy Spirit remain with us and within these walls always.

Even though we are no longer meeting every Wednesday night, there are still plenty of spirit filled and fun filled activities this summer. I encourage you to participate as much as you are able and continue to pray for our students and families. As always, I am available to anyone, for any reason. Many Blessings! Susan Woodson

Mission Moment
by Pastor Bryce Formwalt
Director of Mission Growth

What exactly is Harvest Workers? Four years ago, a group of pastors began dreaming about what it might look like to create an online ministry training program that was affordable, accessible, and effectively equipped those God was calling to greater ministry with a solid biblical and theological foundation while emphasizing practical mission and ministry instruction. After all, if we were ever going to plant and revitalize churches, we needed to invest in developing more mission-minded leaders. These conversations eventually led to the Texas District's most ambitious project to date: Harvest Workers!

The program we set out to develop was not intended to be a seminary. Instead, we envisioned a ministry training program for those for whom traditional seminary might not be affordable, accessible, or the best fit. Harvest Workers actually inverts the emphasis of most seminary programs: instead of emphasizing academic studies in Bible and theology while providing a basic introduction to practical ministry, Harvest Workers introduces students to biblical and theological studies while diving more deeply into a wide variety of practical courses in mission and ministry.

Since the program is online and on-demand, there are no semesters or pre-scheduled class times. Students access courses through a personal online classroom portal and meet with their faculty one-on-one for four video conference sessions. There are quizzes, papers, projects, and lots of reading as well as video lectures, as one might expect. This online, on-demand delivery is what makes the program especially unique, allowing students to work their studies into daily life.

Certificate students from the Texas District pay a subscription of \$165 a month for their tuition. We encourage congregations to partner with interested students by providing partial scholarships. St. John, Thrall has also established a scholarship fund in memory of Jon and Kathy Bielfeldt and contributions to this fund are welcomed from individuals or congregations. To make an online contribution, go to www.harvestworkers.net/support-harvest-workers.

Harvest Workers is not the only answer to the church's need for pastors and ministry leaders, but it is an important part of our effort to better equip women and men for the Kingdom ministry to which God is calling them. Whether these students become contract pastors, church planters, youth or children's ministers, care ministers or just better equipped church members to serve in their own congregations and communities, I am excited to see the growth and development in each student.

We currently have 21 students enrolled in our certificate program and more than two dozen others have participated in taking individual courses as audit students or as a part of a church group. If you are interested in learning more about Harvest Workers, whether that is starting a group course at your church, auditing a class of interest, or becoming a full certificate student, I would invite you to check out our website at www.harvestworkers.net and reach out to start a conversation about how Harvest Workers may help equip you and others in your church to answer God's call to greater Kingdom ministry.

Summer
is here!

This is the day the
LORD has made;
let us rejoice
and be glad in it.

PSALM 118:24

During the summer months, everyone wants to relax and take it easy. The kids are out of school, we are going on vacations, and we get out of our daily/weekly routines. It's easy to forget what we've disciplined ourselves to do, even as faithful stewards.

Below are a few things that can help you stay plugged in this summer, while traveling.
